“LET THE GAMES BEGIN” is always an exciting statement made during the Opening Ceremonies of the Show-Me STATE GAMES (SMSG). Not only does that pertain to the athletes, but also to the Volunteers. In order for the SMSG and the Missouri State Senior Games (MSSG) to be a success, we need over 800 volunteer slots to assist over 30,000 attending the Games this year. For us to accomplish this task, we are asking your business/group to take part in the **Corporate Volunteer Program**.

As a member of the *Corporate Volunteer Program*, we ask you select an individual to be a liaison between your business/group and the SMSG/MSSG Volunteer Coordinator. That person will be our key contact with your business/group. We, in turn, will assist them with their responsibilities in preparing for the weekend of the MSSG (June 14-18) and the SMSG (July 21-23 and 28-30).

The *Corporate Volunteer Program* has a proud tradition of providing more than half of the volunteers needed each year. We invite you to share with us in the fun and competitive excitement only the GAMES can provide.

THE SHOW-ME STATE GAMES
CORPORATE VOLUNTEER PROGRAM

The Corporate Volunteer Program was developed to assist in providing volunteers for the Show-Me STATE GAMES. When the Missouri State Senior Games began in 1994, the Corporate Volunteer Program was extended to encompass the Senior Games as well.

Due in large part its tremendous success, the majority of individuals volunteering for the Games come from the Corporate Volunteer program. We encourage businesses/groups to present this program as a time in which employees and members can come together outside of normal groupings, or even include family members to make it a family affair. ***We do have a policy; however, that no one under the age of 16 be a volunteer without being accompanied by an adult.***

Be recognized! Have at least 12 volunteers and we'll imprint your logo on the back of your free Volunteer t-shirts.

Avenues that businesses have taken to help promote the GAMES:

- ☛ Work one sport together as a team
- ☛ Volunteer in various sports individually
- ☛ Encourage participation by allowing their employees to have a day of casual dress if they volunteer for the GAMES
- ☛ Business recognition at sport sites around Columbia by having logo on back of t-shirts

Not only does volunteering provide a fun time with family, friends and co-workers, but it also encourages physical fitness for all.

CORPORATE VOLUNTEER
